

## Float Guide (Part-Time)

### Does this sound like you?

You have an interest in wellness, meditation, and/or optimising the mind and body.

You are also able to deliver high standards of hospitality (or at least excited to learn how to).

Your friends can't stop telling you their problems because you are empathetic and emotionally intelligent.

### The perks?

Learn to run an unconventional business, grow the float and meditation community in Asia, and be inspired as you help others achieve personal growth and wellness.

You'll also enjoy free floats - an excellent opportunity to unlock your own personal growth.

### Duties and Responsibilities

- Facilitate floats on the ground
- Answer clients' float enquiries and play an advisory role
- Assist with float tank and store maintenance

### Requirements

- Float experience is preferred, but not compulsory! You can deep dive and learn on the job.
- Experience in customer service and/or operations preferred
- Commitment of at least six months, three weekly shifts, including one weekend shift.
- Strong people skills, enjoy meeting new people
- Attentive to detail
